

## ORRICK R-XI TRANSPORTATION GUIDELINES

► Free transportation to and from school will be provided to resident students living 3.5 miles or more from school unless one of the exceptions listed below applies:

- Bus stops will be established for any students required to cross railroad tracks in order to walk to school.
- Bus stops will be established at designated areas within city limits.

► Students may have one morning stop and one afternoon stop. Additional stops will only be allowed if they are made on a regular and consistent basis. Exception:

- Students may ride home with another student with approval from a parent or guardian and the office.

► In order to keep the bus route on schedule, students should be ready to enter the bus as soon as it arrives at the stop. This includes stops at an individual residence. If a student is not at their scheduled stop at arrival, the bus driver will count to 10 before driving on.
